

The Interface

"Taking 8-Bits Into The 21st Century"

Volume 40 Issue 6
September/October 2021

Welcome To Fall 2021! Christmas Is Coming Soon.

In This Issue:

The Editor's Godzilla (Too much fun with Commodore gear.)
Monthly Meeting Reports (Those who attend tell those who didn't.)
Mine Bitcoin With the C64 (Another great game for the computer.)
Early CBM – Jay Man Industries (Early Commodore? You decide.)
The Commodore Stair Climbing Chair (What were these guys thinking?)
The Zee C900 Computer Story (Commodore trying to come of age.)
David A. Freeman (Another computer great leaves us.)
