

# The Interface

"Taking 8-Bits Into The 21<sup>st</sup> Century"

Volume 40 Number 6  
September/October 2022

## Commodore Is Not Without Its Share Of Halloween Related Games...

### In This Issue:

- The Editor's Godzilla (The author fumbles the ball.)**
- Monthly Meeting Reports (Those attended share with those who didn't.)**
- Becoming Commodorian (Getting through the doors at Commodore.)**
- Burning Down The House (Putting in your 50 cents worth.)**
- An Inexcusable Failure (What started out wrong ended up good.)**
- The Hubot (A precursor to R2-D2?)**
- Japan's War On Floppy Discs (These people may never learn...)**
